VOLUNTEERS NEEDED

PHMSA is looking forward to another great soccer season for our children, but we must have your help. PHMSA is an all-volunteer organization and there are many jobs that must be filled in order for us to continue the growth of the best soccer organization in this area. Our goal this season is 100% participation from our Region's families. There is something for everyone to do. In fact, one way you can volunteer is to **help us during one of our registration nights**. **Earn** the opportunity to **register your own child without waiting in a line**. If you can help us during one or more of the Registration nights, please contact Nicki Marazzani via e-mail at registrar@phmsa.org.
